The protection equipment MASC

is in conformity with the basic requirements and with the following additional requirements provided by the standard(s) of reference for the particular fields of use the device is addressed to.

Optional requirements:

/

/

/

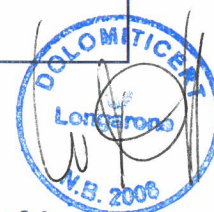

/

Notes

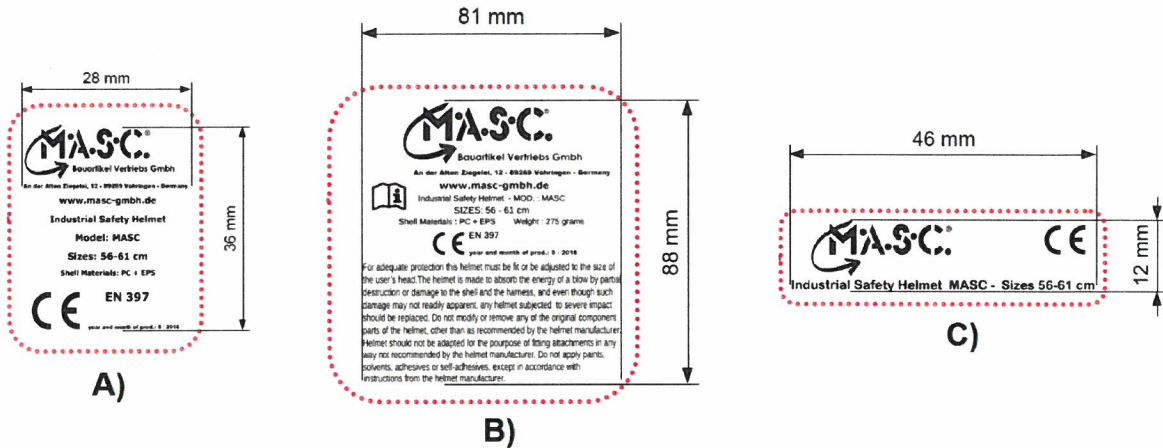

This device is a headgear primarily intended to protect the upper part of a wearer's head against injury from falling objects. The device is composed by an external polycarbonate shell and by an internal EPS shell; another protective padding, placed between a comfort padding and the internal shell in the top position, is provided to give more performances against impacts to the top of the helmet. This helmet is equipped with a buckle-type regulator (rear slider) positioned in the internal part (harness) that permits the adjustment of the head size from 56 cm to 61 cm.

3. Test results and test examinations are covered by the following test reports:

Dolomitcert Scarl	191206	04/07/2019
Dolomitcert Scarl	181763	14/01/2018
Dolomitcert Scarl	180875	02/08/2018
Dolomitcert Scarl	180562	16/07/2018
Dolomitcert Scarl	180561	10/07/2018
Certottica Scrl	183354	17/07/2018

4. Marking:

Placement of the marking: A) Pad printing impressed in the internal shell; B) Silk screen printed on the comfort padding; C) Pad printing impressed on the harness (adjusting webbing).

5. Declaration for category III personal protective equipment

For category III PPE, this EU Type-Examination Certificate shall be used only in combination with one of the evaluation procedures in accordance with Article 19, letter c), of the Regulation (EU) 2016/425

Applicability for the product covered by this EU Type-Examination Certificate:

NO

Terms and conditions under which the Certificate is issued

- Marking and instructions were examined in Italian. The supplying and the obtaining of versions in languages accepted by the countries in which the product is sold are under the complete responsibility of the Manufacturer or of his Authorised Representative.
- Any variation to the product, to the technical file or, in the provided cases, to the manual or to the quality control procedures, shall be notified in time to DOLOMITICERT.
- The Manufacturer or his Authorised Representative shall respect the procedures and the regulations provided by DOLOMITICERT for the EU Certification.
- Copies of this Certificate, supplied to third parties, shall be reproduced in their entirety.
- The present Certificate shall be carefully kept by the Manufacturer to be shown, on request, to the Organism of control or to the Vigilance Administration.
- The present Certificate remains property of DOLOMITICERT, which can ask for it back if some of the above mentioned conditions are not respected.
